WEBSITE GROWTH AUDIT

Oval Dental Clinic

oval-clinic.com | Dubai, UAE | Prepared for the Oval Dental team

A premium Business Bay clinic appears to lose bookings because every Book Consultation button leads to a contact page and key details conflict.

What I found on your website

What I saw	What it costs you	The fix
Every Book Consultation button appears to lead to the same contact page, with no visible booking form or scheduler.	Patients ready to book face extra steps and drop off.	**An on page booking form or scheduler.**
No opening hours appear, and the address appears as Prime Tower in the header and Prime 28 Ltd Building in the footer.	Patients cannot tell when to call or exactly where to go.	**Visible hours and one consistent address.**
The brand appears as Oval Dental Clinic, Oval Dental, Oval Clinic and OVAL DENTAL CLINIC L.L.C., and typos such as a expert team appear.	Mixed names and typos undercut a luxury positioning.	**One brand name and proofread copy.**
A 4.82 rating appears without a review source, and reviews name doctors who do not appear on the team list.	Unlinked proof does not persuade high value patients.	**Linked reviews and a complete team page.**

What your new website will do for Oval Dental Clinic

- On page booking.
- Hours and one address.
- Linked reviews and full team.

How it works

   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.
