WEBSITE GROWTH AUDIT

Aldersley London

aldersleylondon.com | Park Lane, Mayfair, London | Prepared for the Aldersley team

A Mayfair address and named agents with client testimonials are strengths, but an empty Residences section, no contact form and an old press section appear to cost you prime enquiries.

What I found on your website

What I saw	What it costs you	The fix
The Residences heading has only a View All Properties link with no listings, and Development says VIEW PROJECTS but shows no projects.	A prime agency page with no properties shown gives buyers nothing to act on.	**Featured properties and projects on the homepage.**
No contact form appears, only an email and a phone number, and the footer phone link is written tel:+44\(0\)2076594425.	Vendors who want to enquire online have no simple option and the call link may fail.	**A direct valuation and enquiry form with a tested call link.**
Two Thomas Cubitt press items cover the same story, one slug reads 1095mn while the headline says 5 million, and the press items date from 2024.	Duplicate and mismatched press items make the proof look stale.	**Clean, current press and results.**
The page shows 'successful out-come', 'straight forward' twice, and testimonials from Mr. S, Mr. S and Mr. R with no dates or transaction details.	Typos and anonymous testimonials weaken trust with high value vendors.	**Proofread copy and verifiable testimonials.**

What your new website will do for Aldersley London

- Featured properties and projects on the homepage.
- A valuation and enquiry form with WhatsApp and a tested call link.
- Current press, proofread copy and verifiable testimonials.

How it works

1	**15 minute call** I show you a preview of your new design. No cost.
2	**Approve the look** You pick changes. I build in days, not months.
3	**Launch and track** Booking, WhatsApp and forms tested on mobile before go live.
