WEBSITE GROWTH AUDIT

Prime London Residential

primelondonresidential.com | Belgravia and Lambeth, London | Prepared for the Prime London team

A large team, two central offices and a 4.9 Google rating are strengths, but a wrong phone link, repeated listings and a rating with no reviews shown appear to cost you vendors.

What I found on your website

What I saw	What it costs you	The fix
The Central Office number is shown as 0207 052 1075 but its tel link dials 0207 928 6663, the Riverside number.	A client who taps to call reaches the wrong office.	**Checked, correct call links for each office.**
The Our Team section repeats the same staff cards about three times, and the Latest Properties carousel repeats the same nine listings several times.	Repeated blocks hide what vendors and buyers came to see.	**One clean team page and a tidy listings carousel.**
Lincoln Square, 18 Portugal Street appears twice with the same title but prices of 1,250,000 and 1,450,000 pounds.	Conflicting prices on a listing damage trust.	**One verified listing per property.**
The page claims 4.9/5 from 420 Google reviews but shows none, the newsletter has no email box, and the page shows Offers In Excess Of£415,000 and a raw code in image text.	A rating with no visible reviews and small slips weaken your strongest proof.	**A live review wall and proofread listings.**
