WEBSITE GROWTH AUDIT

Sparrows Properties

sparrows.properties | London, UK | Prepared for the team

An independent Fulham agency covering sales, lettings and management is a strength, but two addresses and a missing contact route appear to cost you landlord and tenant enquiries.

What I found on your website

What I saw	What it costs you	The fix
The contact block appears to list Riverbank House 1 Putney Bridge Approach while the legal line gives 7 Fulham Road SW6 4JU, and the phone appears as 0203 617 1994 and 020 3617 1994.	A landlord or tenant cannot tell which office is real or where to go.	**One verified address and one phone format.**
The email address appears only as an obfuscated placeholder, and no general contact form appears, only offer and viewing forms.	A landlord who wants a valuation has no easy way to write to you.	**A valuation and general enquiry form that sends straight to your team.**
The main Buying link appears to use the lettings department, and the Tenants link appears in two versions (/tenants/ and /tenants-2/).	Buyers and tenants land on the wrong pages and leave.	**Correct links and one page per audience.**
The tenancy length dropdown appears to show only the run on text 0102030405060708091011 12, a stray character follows each form, and the CMP certificate file name appears misspelled.	Broken form details and typos reduce confidence before a landlord shares property information.	**Clean labeled forms and proofread files.**

What your new website will do for Sparrows Properties

- One verified address and phone.
- A valuation form plus WhatsApp.
- Clean forms, correct links and proofread files.
