WEBSITE GROWTH AUDIT

Law House Advocates and Legal Consultants

lawhouse.ae | Abu Dhabi and Dubai | Prepared for the Law House team

Offices in Abu Dhabi and Dubai and a broad practice list are strengths, but mislabeled team cards, empty links and no contact form appear to cost you clients.

What I found on your website

What I saw	What it costs you	The fix
Team labels appear shifted by one card, so Ahmed Hosari, Senior Legal Consultant sits above another lawyer's card, and team photos appear to be placeholders.	Wrong names on a law firm's team page damage trust.	**Correct team cards with real photos and credentials.**
Every practice area link has no label, the subscribe block shows no email box, and the only contact method is a Contact Us link.	Clients cannot easily see services or reach you.	**Labelled practice pages and a direct enquiry form.**
Copy is cut off after 'Business Set-ups, ...' and 'Structured ...', and the text includes 'best friend firms' and 'issues.Law House'.	Unfinished sentences and typos weaken a legal brand.	**Finished, proofread copy.**
The image text 'Awesome Image' repeats, the footer reads 2022, phone links contain spaces, and 1000+ Successful Cases has no examples.	Leftover text, old dates and unsupported claims reduce credibility.	**Clean images, a current footer, tested phone links and sourced results.**
