WEBSITE GROWTH AUDIT

Acton Vale Dental

actonvaledentists.com | London, UK | Prepared for the Acton Vale Dental team

An Acton dental practice appears to lose new patients to mixed date signals in its footer and no quick message option.

What I found on your website

What I saw	What it costs you	The fix
The footer appears to say Copyright 2022 and Site last updated Nov 2026 side by side.	A visitor cannot tell if the content is current, and an old copyright date makes the practice look inactive.	**One current date and a refreshed page.**
No WhatsApp or text option appears next to the phone number.	Patients who want a quick answer message first, and the practice that replies first gets the booking.	**A one tap text button and online booking.**

What your new website will do for Acton Vale Dental

- Current page.
- Clean footer.
- Booking and text.

How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.
