WEBSITE GROWTH AUDIT

Aesthetic Clinic Jeddah

aestheticclinicjeddah.com | Jeddah and Riyadh | Prepared for the team

A wide procedure list and a hair transplant offer are strengths, but placeholder reviews and unfinished sections appear to cost you patients.

What I found on your website

What I saw	What it costs you	The fix
The reviews section appears to show 'Lorem ipsum dolor sit amet' with John Doe as the reviewer.	Template text where patient proof should be destroys trust.	**Real patient reviews.**
The Why choose us headings Neck Lift, Face Lift and Breast Augmentation appear to have no body text, and View All under Doctors appears to link to #.	Empty sections look unfinished.	**Filled sections and working links.**
The page appears to be branded for Jeddah while the map reads a Riyadh clinic name and the main phone differs from the WhatsApp number.	Mixed locations and numbers confuse patients.	**One location story and one number.**
Typos appear such as 'Injectible', 'Commited surgical Team' and 'Bariatic Surgery', and the doctor's name appears two ways.	Spelling errors in medical copy weaken credibility.	**Proofread copy and one doctor name.**

What your new website will do for Aesthetic Clinic Jeddah
