WEBSITE GROWTH AUDIT

Alpha Advocates and Legal Consultants

alphalegal.ae | Capital Tower, Abu Dhabi | Prepared for the Alpha team

Strong reviews and a central Abu Dhabi office are strengths, but unrelated betting content, a test link and a booking section with no form appear to put your reputation and enquiries at risk.

What I found on your website

What I saw	What it costs you	The fix
Promotional lines for online casino and betting sites in several languages appear on the page, with links named test2, which suggests the site may have been compromised.	Clients and search engines may treat the site as unsafe, which hurts trust and ranking.	**A security clean up, hardened hosting and monitoring.**
The Book a Call section shows only the link text test2, with no form or booking tool, and a WhatsApp us heading has no number under it.	Clients who want to call or message first cannot, and enquiries are lost.	**A working booking form and a WhatsApp button.**
The footer number +971 505809025 links to a different number, tel:+971 26777763, and the firm appears under three different names.	A client who taps to call may reach a different line and trust drops.	**One checked number and one firm name.**
The page claims #1 law firm in Abu Dhabi with no source, shows 36 reviews but displays eight, and contains typos such as 'high standers'.	Unsourced rankings and typos weaken a law firm.	**Sourced credentials, a full review wall and proofread copy.**

What your new website will do for Alpha Advocates and Legal Consultants

- A clean, secured site with monitoring.
- A booking form and WhatsApp with one checked phone number.
