WEBSITE GROWTH AUDIT

Ashmans Solicitors

ashmanssolicitors.weebly.com | Leeds, UK | Prepared for the Ashmans team

A multi office criminal and personal injury firm appears to lose enquiries to typos in its menu and headings, a free builder address and a cluttered menu.

What I found on your website

What I saw	What it costs you	The fix
The menu appears to read Ashamns Solicitors Dewsbury and Ashmans Solicitors SHeffield, and a heading appears to say YEARS IN BUSNESS.	A client choosing a defence solicitor under stress reads the firm name misspelled in the menu, and doubts how careful the firm is.	**Clean headings and menu labels.**
The site appears to run on a free Weebly address, while your email uses ashmanssolicitors.com.	A free builder address makes a firm with six offices look smaller than it is, and clients who check before calling may go elsewhere.	**Your own domain on the site.**
The menu appears to list Google My Business, Bio Page and RSS beside the main pages, with many town pages repeated.	Clients cannot find the service they need in a menu this crowded, and a crowded menu makes visitors leave.	**A short menu by service and by office.**
The counters for years in business, happy clients and team members appear to show no numbers.	A firm that claims proof but shows none gives a nervous client less reason to trust it with a serious case.	**Real figures and named results.**

What your new website will do for Ashmans Solicitors

- Clean menu and headings.
- Own domain.
- Proof counters and a clear enquiry button.
