WEBSITE GROWTH AUDIT

Aura Aesthetics

aura-aesthetics.ae | Abu Dhabi, UAE | Prepared for the Aura Aesthetics team

A two branch aesthetics clinic appears to lose bookings to dead menu items, a demo form label and conflicting hours.

What I found on your website

What I saw	What it costs you	The fix
The Services, Injectables, Beauty Treatments and Body Treatments menu items appear to link to #, and the booking section appears to be headed Contact Form Demo.	Patients cannot browse treatments, and a demo label makes the form look untested.	**Working menu pages and a clean, tested booking form.**
The footer appears to show two different hours side by side, 10:00 AM to 09:00 PM and 11:00 AM to 1:30 AM, and the Ramadan block says 6 days while listing 7.	Patients may arrive when you are closed.	**One verified hours table per branch.**
The same doctor appears to be spelled several ways, such as Dr. Mohamed Amir, Dr. Mohamed Ameer and Dr. Mohammed ameen.	Inconsistent names weaken trust in a medical brand.	**One correct name and credentials per doctor.**
The footer appears to show 2023 as the copyright year, and a dummy.png placeholder image appears in the hero.	Old dates and placeholder images make the clinic look neglected.	**Current dates and real hero photos.**

What your new website will do for Aura Aesthetics

- Working menus and clean form.
- One hours table per branch.
- Doctor profiles and current content.
