WEBSITE GROWTH AUDIT

Avion Law

avionlaw.ca | Etobicoke, Canada | Prepared for the Avion Law team

Flat fee pricing is a strong selling point, but the fee placeholders and appointment wording appear to cost you enquiries.

What I found on your website

What I saw	What it costs you	The fix
Every flat fee appears to read [Fee] call for current flat fee, so the prices that make the firm stand out are missing.	Clients comparing flat fee lawyers may leave for a firm that shows a price.	**Real fee ranges or a from price on each service.**
The logo and footer practice links appear to point to # and page anchors, so every practice area in the footer goes to the same place.	Visitors cannot reach a page for their specific matter.	**One page per practice area with its own link.**
Hours appear as Monday to Friday 9:00 to 17:30 while other text says by appointment only and walk-in notary service.	Mixed messages make people unsure whether to call, visit or book.	**One clear rule for hours, walk-ins and appointments.**
No lawyer name, photo, credentials, reviews or results appear to be shown.	People hire a lawyer they can see and trust.	**A named lawyer profile and visible client reviews.**

What your new website will do for Avion Law

- Real flat fee prices.
- Working links per service.
- Lawyer profile, reviews and a booking form.
