WEBSITE GROWTH AUDIT

BEC Estate Agents

becestates.wixsite.com/becestates | London, UK | Prepared for the BEC Estate Agents team

A south west London independent agency appears to lose valuation enquiries to a free builder address, spelling errors and a 2014 footer.

What I found on your website

What I saw	What it costs you	The fix
The site appears to run on a free Wix address, with a banner that says This website was built on Wix.	A free builder address makes an estate agent look temporary to landlords and sellers.	**Your own domain and a clean branded site.**
Typos such as Mangement, Surronding and mangement appear in the page text.	Spelling errors in your own service names weaken trust with owners choosing an agent.	**Proofread copy on every page.**
The footer appears to read 2014.	An old year suggests the agency may not be active.	**A footer that updates by itself.**
No WhatsApp and no reviews or sold results appear on the homepage.	Owners choose the agent who shows proof and answers fast.	**Named reviews, sold examples and WhatsApp.**

What your new website will do for BEC Estate Agents

- Own domain.
- Proofread copy.
- Reviews, sold results and WhatsApp.

How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.
