WEBSITE GROWTH AUDIT

Canada MedLaser

canadamedlaser.ca | Toronto, Canada | Prepared for the Toronto clinic team

A multi location Canadian laser brand appears to lose bookings to template leftovers, a broken booking link and empty proof.

What I found on your website

What I saw	What it costs you	The fix
The Services and Locations footer items appear to link to #, and one booking link appears to be missing a slash.	Patients cannot reach services or booking.	**Tested links behind every button.**
Text such as Accordion Content and This field is for validation purposes and should be left unchanged appears to be visible.	Template text makes the clinic look unfinished.	**Clean forms and FAQ copy.**
Typos such as Coolscupting and avilable appear, and the brand appears as Canadamedlaser, Canada Medlaser and Canada MedLaser.	Typos and mixed names weaken trust.	**Proofread copy and one brand spelling.**
The What our clients say section appears to be empty, staff profiles appear twice, and a Black Friday block appears with no dates.	Empty proof and stale promotions reduce conversions.	**Real testimonials and dated offers.**

What your new website will do for Canada MedLaser

- Working links and clean forms.
- One brand name and proofread copy.
- Testimonials and dated offers.
