WEBSITE GROWTH AUDIT

Chapeltons

chapeltons.com | London, UK | Prepared for the Chapeltons team

A Chelsea estate agency appears to lose valuation enquiries to a repeated hero slide, empty links and no listings shown on the page.

What I found on your website

What I saw	What it costs you	The fix
The hero appears to repeat the same EXQUISITE PROPERTIES IN CHELSEA slide four times, and ARRANGE A VALUATION appears twice in a row.	Repeated blocks look like a template and weaken the main call to action.	**One strong hero and one valuation button.**
The menu toggle and footer icons appear to link to #, and three team email links appear to be empty.	Dead links stop owners and buyers from reaching you.	**Working links and team contact details.**
A footer appears to read CHALPELTONS and the validation field note appears visible on the forms.	Spelling your own name wrong costs trust with luxury sellers.	**Proofread copy and clean forms.**
No properties for sale or let appear, testimonials appear with initials only, and no WhatsApp appears.	Owners choose an agent who shows results and is easy to message.	**Featured sold and let properties, named reviews and WhatsApp.**

What your new website will do for Chapeltons

- Clean hero and valuation form.
- Working links and team details.
- Results, reviews and WhatsApp.
