WEBSITE GROWTH AUDIT

The Corporate Law and Legal Compliance Group

jadgosen.wixsite.com/cllc | Dubai, UAE | Prepared for the CLLC team

A Middle East business law group with offices in Dubai and Riyadh appears to lose enquiries to a free builder address, a menu typo and a 2017 footer.

What I found on your website

What I saw	What it costs you	The fix
The menu appears to read CORPORATE RESPOSIBILITY.	A spelling error in the main menu of a compliance firm weakens trust.	**Proofread menu and headings.**
The site appears to run on a free Wix address, with a banner that says This website was built on Wix.	A free builder address makes an international firm look temporary.	**Your own domain and a clean branded site.**
The footer appears to read 2017.	An old year suggests the site is not kept up to date.	**A footer that updates by itself.**
The Riyadh and Bahrain offices appear to list the same phone number.	Clients dialing the wrong office may give up.	**A correct number for each office.**

What your new website will do for The Corporate Law and Legal Compliance Group

- Proofread menu.
- Own domain.
- Current footer and correct office numbers.
