WEBSITE GROWTH AUDIT

Cook Law Firm

cooklawfirm.ca | Markham, Canada | Prepared for the Cook Law Firm team

A Markham firm covering real estate, wills and corporate work has the right services, but a broken phone link and duplicate pages appear to cost you calls.

What I found on your website

What I saw	What it costs you	The fix
The phone link appears to be written as tel:(905) 948-9200 with brackets and spaces, which may not dial on some phones.	Mobile visitors tapping to call may get nothing.	**A clean tel link on every phone number.**
The same buyer and seller services appear to exist at two different page addresses, and the logo link appears to have no https.	Duplicate pages confuse Google and visitors, and weaken search ranking.	**One page per service with redirects.**
Email now appears to link to the contact page, and no contact form appears on the homepage.	Visitors who want to write must work for it, so many leave.	**A short enquiry form on the homepage and each service page.**
No lawyer names, photos, testimonials or reviews appear, and the refinancing image appears to be labelled Debt Consolidation Markham.	Clients choosing a lawyer want to see who they will deal with.	**Team profiles, reviews and correct image labels.**

What your new website will do for Cook Law Firm

- Working call and email links.
- One page per service.
- Team profiles, reviews and an enquiry form.
