WEBSITE GROWTH AUDIT

Dora Clinics

doraclinic.sa | Riyadh | Prepared for the Dora Clinics team

You have a 4.5 rating from 1,311 Google reviews, a booking form and WhatsApp, but errors in the booking flow and details lose patients.

What I found on your website

What I saw	What it costs you	The fix
The booking form's service dropdown has garbled options (for example Laser Leather Skin), and the Book Now buttons all go to the offers page.	A patient who cannot pick the right service or reach a booking step leaves.	**Clean service list and a direct booking step.**
Doctor cards link to the same profile (dr-doaa-shams), two doctors have no profile link, and Privacy Policy and Terms link to #.	Patients want to read about their doctor, and broken links look careless.	**A working profile for each doctor and real policy pages.**
Typos include Botex injections, Mohamdia, Ezdehr and CONTACTUS. Three different email addresses are listed and the footer says 2020.	Mixed contact details and outdated dates reduce trust.	**One email and proofread, current copy.**
The Google review carousel uses the same avatar for every reviewer, featured testimonials are dated 2021 to 2022, and the Services and Offers blocks appear twice.	Stale reviews and repeats waste your strongest proof.	**A fresh review wall and one clean services page.**

What your new website will do for Dora Clinics

- A bilingual booking flow with a clear service list and WhatsApp.
- Doctor profiles, fresh reviews and one clean services page.

How it works

1	**15 minute call** I show you a preview of your new design. No cost.
2	**Approve the look** You pick changes. I build in days, not months.
3	**Launch and track** Booking, WhatsApp and forms tested on mobile before go live.
