WEBSITE GROWTH AUDIT

EDEN Aesthetics Clinic

edenderma.com | Business Bay, Dubai | Prepared for the EDEN team

Awards, a wide treatment menu and WhatsApp booking are strengths, but a booking form with almost no fields and many mismatched menu links appear to cost you consultations.

What I found on your website

What I saw	What it costs you	The fix
The Book Your Consultation section shows only Choose Treatment and SUBMIT, with no name, phone, email or date fields, and Thanks for submitting! shows before anyone submits.	A patient ready to book cannot leave details and you cannot call back.	**A complete booking form with a real confirmation.**
Wrinkle Treatments, Anti Aging Injections and Dermal Fillers all link to one page, Rosacea & Sunspots links to the BBL page, and the Disclaimer link goes to the booking page.	Wrong links send patients to the wrong treatment.	**One correct page per treatment.**
The brand appears as EDEN AESTHETICS Clinic, Eden Derma Clinic Dubai Aesthetics and EDEN Aesthetics, and 'Bacial for Back' and 'impants' appear in menus and addresses.	Changing names and typos weaken a premium brand.	**One brand name and proofread copy.**
Only one testimonial shows, from 'Amani secret', award images carry no issuing body, and the footer shows the odd code X5FWOSSO.	Thin proof and leftover code reduce trust.	**A full review wall, linked awards and a clean footer.**

What your new website will do for EDEN Aesthetics Clinic

- A complete booking form with WhatsApp.
- One correct page per treatment and one brand name.
- A full review wall with linked awards.

How it works

1	**15 minute call** I show you a preview of your new design. No cost.
2	**Approve the look** You pick changes. I build in days, not months.
3	**Launch and track** Booking, WhatsApp and forms tested on mobile before go live.
