WEBSITE GROWTH AUDIT

Fresh Smiles Dental Hygiene Clinic

freshsmiles.ca | Toronto, Canada | Prepared for the Fresh Smiles team

An Etobicoke hygiene clinic appears to lose new clients to a yahoo contact and no online booking.

What I found on your website

What I saw	What it costs you	The fix
The only email shown appears to be a yahoo.ca address.	A free email gives less trust, and it can land in spam when clients write to you.	**A clinic email on your own domain.**
No online booking link appears in the menu, only Contact.	Clients who want to book at night cannot, and they book where they can.	**Online booking on the page.**
No text or WhatsApp option appears next to the phone number.	Clients who want a quick answer message first.	**A one tap text button.**

What your new website will do for Fresh Smiles Dental Hygiene Clinic

- Own email domain.
- Online booking.
- Reviews and quick contact.

How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.
