WEBSITE GROWTH AUDIT

Goldstein Divorce and Family Law Group

amglaw.ca | North York, Toronto | Prepared for the Goldstein team

A flat fee offer and two Toronto offices are strengths, but a contact form that appears to have no submit button and repeated copy cost you enquiries.

What I found on your website

What I saw	What it costs you	The fix
The contact form lists fields but appears to show no submit button, and the Yes and No options and consent line show no visible controls.	A person ready to call a family lawyer may not be able to send the form.	**A tested form with a clear send button and confirmation.**
The header shows 416-519-5552 while the Toronto office lists 416-646-2090, and the brand appears as GOLDSTEIN and Goldstein.	Mixed numbers and names confuse people who want to call.	**One clear number per office and one brand style.**
The social label reads Faccebook Page, the text says 'trust her' when it means plural lawyers, and the logo appears to be a blank placeholder.	Typos and a missing logo undermine trust in a law firm.	**Proofread copy and a working logo.**
Please contact us for an honest evaluation of your case repeats at least five times, and the Testimonials page shows no visible reviews.	Repeated lines and no visible proof weaken your strongest selling point.	**Varied, helpful copy and real client reviews.**
