WEBSITE GROWTH AUDIT

Hermosa Ladies Beauty Salon

hermosaladiessalon.wixsite.com/hermosa | Abu Dhabi, UAE | Prepared for the Hermosa team

A beauty salon in Emirates Tower appears to lose bookings to a free builder address, another business name in the footer and mixed contact numbers.

What I found on your website

What I saw	What it costs you	The fix
The site appears to run on a free Wix address, with a Wix banner at the top of the page.	A salon that charges for facials, keratin and lashes looks less established when the first thing a client sees is a builder advert.	**Your own domain with the Wix banner gone.**
The footer appears to say 2023 by Beauty & Co., created with Wix.com.	A client who reads another business name at the bottom may wonder if this is the right salon or a copied template.	**Your salon name and the current year.**
The page appears to list two phone numbers in the text, while the WhatsApp button uses a third number.	Clients are not sure which number reaches the salon, and a client who is unsure often books somewhere else.	**One clear contact number and a clear WhatsApp booking button.**
A SUMMER SPECIAL section appears to still be in the menu and on the homepage.	An out of season offer makes the page look unattended, and visitors may think the salon is not active.	**A simple offers block you can change yourself.**

What your new website will do for Hermosa Ladies Beauty Salon

- Own domain, no builder banner.
- One contact number and WhatsApp booking.
- Offers you can update in minutes.

How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.
