WEBSITE GROWTH AUDIT

# Just Real Estate Qatar

jre.com.qa | Doha | Prepared for the team

Decades of Qatar experience and listings across Doha, Lusail and The Pearl are strengths, but conflicting numbers and placeholder reviews appear to cost you buyers.

## What I found on your website

| What I saw | What it costs you | The fix |
|---|---|---|
| The header appears to list +974 4491 3333, the call icon appears to use the placeholder tel:+911234567890, and WhatsApp appears to use wa.me/0097450626231. | A buyer who taps the call icon reaches a wrong number. | **One verified phone and WhatsApp.** |
| No visible contact form appears, only a Send a message link to another page. | Buyers must leave the page to enquire and some drop off. | **An on page enquiry form.** |
| Every testimonial appears to use the same avatar and one reviewer appears as John Doe, with no full names, dates or ratings. | Filler proof makes real clients look fake. | **Real, attributed reviews.** |
| Prices appear as '7,450.000 QAR', the area filter appears as 'Lusail FoxHills Marina', and several cards appear to show 'coming soon...' or 0 bedrooms. | Odd formats and unfinished cards make listings hard to trust. | **Clean price format and finished listing cards.** |

## What your new website will do for Just Real Estate Qatar

- One verified phone and WhatsApp.
