WEBSITE GROWTH AUDIT

Landhouse Properties

landhouse.ae | Dubai | Prepared for the Landhouse team

Palm Jumeirah projects and a WhatsApp sales line are strengths, but repeated blocks, mismatched copy and no project details appear to cost you buyers.

What I found on your website

What I saw	What it costs you	The fix
The same Palm Jumeirah header block appears three times, Explore Orla appears twice, and The 8 appears twice under two different addresses.	Repeated blocks bury the projects buyers want to see.	**One clean page per project.**
Palme Couture Residences is described on the Palm Jumeirah page, a rental label sits inside a sales list, and the copy contains 'property advior'.	Mismatched copy and typos make a luxury agency look careless.	**Proofread copy that matches each project.**
No prices, unit counts, sizes or completion dates appear for any project, and Payment plan available gives no details.	Serious buyers leave when they cannot compare.	**Project pages with key figures and payment plans.**
The sales line is +971 50 138 1755 while a success page shows +971 50 164 4706, and the footer copyright reads 2019.	Mixed numbers and an old date cause doubt about who is answering.	**One verified number and a current footer.**

What your new website will do for Landhouse Properties

- One clean page per project with prices, sizes and dates.
- Proofread copy and consistent project names.
- One WhatsApp number and a clear viewing booking form.

How it works

1	**15 minute call** I show you a preview of your new design. No cost.
2	**Approve the look** You pick changes. I build in days, not months.
3	**Launch and track** Booking, WhatsApp and forms tested on mobile before go live.
