WEBSITE GROWTH AUDIT

Lewis & Associates LLP

lewislegal.ca | Toronto | Prepared for Jacqueline Lewis and the team

A big named team and a free consultation for refugee clients are strengths, but copy errors and conflicting numbers appear to cost you trust and enquiries.

What I found on your website

What I saw	What it costs you	The fix
The page appears to say Immigration and Refuge Law, Law is complicate matter, and All Right Reserved, and the alt text spells Adam Wawrzkiewigz while the heading says Wawrzkiewicz.	Typos on a law firm homepage cost trust before the first call.	**Proofread copy across the site.**
Menu parents such as Legal Services, Visitors, Students and Workers appear to link to #, and Family Class, Express Entry and Citizenship all appear to go to the same immigration law page.	Clients looking for a specific service find the same page every time.	**Dedicated service pages that rank on Google.**
The page says Canada's Largest Immigration and Refugee Law Firm and also this boutique law firm, Trusted By 10,000+ Clients beside more than 2000 clients, and team of 25 with 13 profiles shown.	Conflicting numbers weaken every other claim.	**Verified figures stated once.**
Booking is a link with no visible form, there is no WhatsApp, and trust badges appear to use blank placeholder images.	Clients in urgent cases leave when contact is hard.	**Online booking with WhatsApp and real badges.**
