WEBSITE GROWTH AUDIT

Lusail Law Firm

lusaillawfirm.com | Lusail, Doha | Prepared for the Lusail Law Firm team

You have named testimonials, WhatsApp and a clear commercial and private structure, but zero counters and mismatched contact details weaken trust.

What I found on your website

What I saw	What it costs you	The fix
Cases Won shows + 0 and Client Satisfaction shows % 0 while the text claims 500+ successful cases and a 98% satisfaction rate.	Zeros next to big claims make both look false.	**Working counters with figures you can support.**
The main line is +974 4474 2444 but the WhatsApp link goes to a different number, +974 6668 8222. The email uses lusaillawfirm.qa while the site is lusaillawfirm.com.	Clients are unsure which number and which email are real.	**One checked set of contact details.**
Sarah Al-Mansoori's testimonial nearly repeats Ahmed Al-Khalifa's. All three news posts show the same date, Feb 3, 2026, and the first excerpt repeats its title.	Repeated quotes and identical dates look like template content.	**Real, varied testimonials and dated posts.**
The mobile menu items Commercial and Private link to #. Consult Now repeats three times, there is no contact form, and no lawyers are named.	Clients want to know who will act for them and how to reach you.	**Working menus, an enquiry form and lawyer profiles.**

What your new website will do for Lusail Law Firm
