WEBSITE GROWTH AUDIT

Metro Property London

metropropertyservices.weebly.com | London, UK | Prepared for the Metro Property team

A London letting agency appears to lose landlords to an all capitals page, a stuffed title and bold claims without proof.

What I found on your website

What I saw	What it costs you	The fix
The page title appears to be a long string of keywords and phone numbers.	Search results cut it off and a stuffed title looks like spam to landlords.	**A short title with the agency name and area.**
The homepage appears to shout in capitals with claims such as GUARANTEED RENTS FOR UP TO 5 YEARS and FREE LETTING AND MANAGEMENT.	Big claims without terms or proof make careful landlords walk away.	**Plain wording with clear terms and examples.**
The site appears to run on a free Weebly address and the contact number appears to be an 0844 line.	A free builder address and a premium rate number look temporary.	**Your own domain and a standard local number.**
Text such as Looking for classified ads appears on the page, and no reviews or WhatsApp appear.	Stray text and no proof lose both landlords and tenants.	**Named reviews, current listings and WhatsApp.**

What your new website will do for Metro Property London

- Clean title.
- Plain claims with terms.
- Own domain, reviews and WhatsApp.
