WEBSITE GROWTH AUDIT

Metropole Properties

metropoleproperty.com | London, UK | Prepared for the Metropole Properties team

A Paddington estate agent appears to lose landlords and sellers to placeholder Lorem ipsum text in its Our Services section.

What I found on your website

What I saw	What it costs you	The fix
The Our Services section appears to show placeholder Lorem ipsum text under Sales, Request Valuation, Contact us, Commercial Sales and Commercial Lettings.	Landlords and sellers read this section to decide whether to call, and dummy text tells them the business is careless.	**Real service copy for every card.**
The page is a long single page of sections with the same short text repeated in each block.	Visitors skim, find no proof, and move to an agent that shows results.	**Short sections with results, reviews and a clear next step.**
No WhatsApp appears next to the phone number.	Landlords with a quick question message first, and the agent who answers first gets the valuation.	**A one tap WhatsApp button and a valuation form.**

What your new website will do for Metropole Properties

- Real service copy.
- Proof and reviews.
- Valuation form and WhatsApp.

How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.
