WEBSITE GROWTH AUDIT

Mohamed Al Marzooqi Advocates and Consultancy

ml-advocates.com | Abu Dhabi, Dubai and Ajman | Prepared for the M and L Advocates team

Three UAE offices and a WhatsApp number are strengths, but dead menu links, template labels and no enquiry form appear to cost you clients.

What I found on your website

What I saw	What it costs you	The fix
Menu items and the Abu Dhabi, Dubai and Ajman headings link to #, and every practice area card links to one generic page.	Clients cannot reach the office or service they need.	**Working menus and a page per practice area.**
The label Law Firm / Lawyer appears under all nine practice areas, the Testimonials section shows four identical icons, and the blog link points to a different subdomain.	Template text and repeated icons make the firm look unfinished.	**Real practice descriptions and testimonials.**
The firm appears as M&L Advocates & Consultancy, Mohamed Al Marzooqi and Mohammed Al Marzouqi, and the LinkedIn address spells the name with three o's.	Changing names weaken trust and search visibility.	**One consistent firm name.**
EMAIL US links to a contact page with no form, and stats such as 11370+ Happy Clients, 5680+ Cases Done and 100+ Awards Won have no sources or dates.	Unsourced figures and no form lose enquiries and credibility.	**A direct enquiry form and sourced, dated figures.**
