WEBSITE GROWTH AUDIT

NCBC Med-Laser

ncbcmedspa.com | Yonge Street, North York | Prepared for the NCBC team

A long running med spa with clear starting prices is a strength, but an expired offer, old blog posts and enquiry sections with no forms appear to cost you bookings.

What I found on your website

What I saw	What it costs you	The fix
The hero says 'Your path to billiant skin', and the brand appears as NCBC Med Laser, NCBC Med-Laser and NCBC Med-Laser Ltd.	A typo in the main headline weakens a premium brand.	**Proofread copy and one brand name.**
MAKE AN INQUIRY and Request your free consultation below have no form, the mailing list shows no sign up field, and both Book buttons go to the contact page.	Patients who want to book or ask a question face dead ends.	**A working consultation form with WhatsApp.**
A Spring offer that ended April 30, 2026 still shows, the newest blog post is from 2022, and a June Spotlight from 2019 still advertises 30% off.	Expired offers and old posts make the clinic look inactive.	**Offers and news you can update in minutes.**
The gallery repeats the same after images, Instagram posts use placeholder.png, and two phone numbers and a second Lawrence Avenue location appear only in the footer.	Repeated images and hidden details weaken proof and confuse patients.	**A real results gallery and clear location pages.**

What your new website will do for NCBC Med-Laser

How it works

1	**15 minute call** I show you a preview of your new design. No cost.
2	**Approve the look** You pick changes. I build in days, not months.
3	**Launch and track** Booking, WhatsApp and forms tested on mobile before go live.
