WEBSITE GROWTH AUDIT

NOA Dental Clinic

noadentalclinic.com | Jumeirah Lakes Towers, Dubai | Prepared for the NOA Dental team

You have 14 named doctors, WhatsApp and a payment plan, but conflicting hours and dates and a booking link to an Australian subdomain hurt trust.

What I found on your website

What I saw	What it costs you	The fix
The Book Now button points to au.patientdesk.ai, an Australian subdomain, and every doctor Read more link goes to the same /dubai-dentists page.	Patients sent to an odd address may not trust it or finish booking.	**Booking on your own domain and a profile page per doctor.**
Wednesday shows Closed in the hours table while the footer says Mon - Sat. The page says served JLT since 2023, since 2005-2023 and over 21 years.	Conflicting hours and dates make patients doubt the details.	**One set of hours and one clear history.**
Dr. Suhail Syed appears twice (Implantologist and Prosthodontist), the alt text says dr sushail syed, the Zirconia Crowns card ends mid sentence, and a line reads dental clinic in Dubai feature.	Errors on treatment pages weaken confidence in clinical care.	**Proofread, complete treatment pages.**
The page cites a 4.8 Google rating but shows no review text, shows no before and after cases, and lists Dental Offers in the menu with no offers on the page.	Patients want proof and a reason to act now.	**A review wall, captioned results and a real offers section.**

What your new website will do for NOA Dental Clinic

- Booking on your own domain, a profile for each doctor and one set of hours.
- A review wall, before and after gallery and a clear offers section.
