WEBSITE GROWTH AUDIT

# Orlando Reid

orlandoreid.co.uk | London, UK | Prepared for Baljit Arora and Jack Reid

A multi office agency with lettings, sales and management is a strength, but counters that read zero and a contact section with no usable form appear to cost you landlord and buyer enquiries.

## What I found on your website

| What I saw | What it costs you | The fix |
|---|---|---|
| The hero counters appear to read 'Established in 0', 'Properties Sold 0', 'Properties Let 0 +' and 'Properties Managed 0 +'. | The first numbers a landlord reads show nothing, which weakens trust in your track record. | **Correct live counters with real founding year and figures.** |
| The Contact Us and Partner With Us section appears to show labels only, with no visible fields or submit button, and both buttons link to #contact. | A landlord ready to ask for a valuation has no working way to reach you from the page. | **A short valuation and contact form that sends straight to your team.** |
| No WhatsApp option appears anywhere, and the footer Site Map link appears to point to #. | Many landlords and tenants prefer a quick WhatsApp message, and a dead link looks unfinished. | **A WhatsApp button and working footer links.** |
| The Awards paragraph appears twice in a row, 'Excellet' appears in a heading, and the Manchester address appears in two versions. | Repeated text, typos and mixed addresses make the agency look careless. | **Clean proofread copy and one verified address per office.** |

## What your new website will do for Orlando Reid

- Correct stats row with real figures.
- A valuation form and a WhatsApp button.
- Clean copy and one verified address per office.

## How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.

**Book your 15 minute preview call**
