WEBSITE GROWTH AUDIT

Porcelli D'Angela LLP

pdlaw.ca | Mississauga, Canada | Prepared for Vince Porcelli and Tullio D'Angela

A Mississauga personal injury firm with over 50 years of combined experience is a strength, but broken links and no inline contact form appear to cost you free consultations.

What I found on your website

What I saw	What it costs you	The fix
The Bicycle Accidents button appears to point to /bicycle-accidets while the menu uses /bicycle-accidents, Brain Injuries appears to link to /fatality-cases-1, and the LinkedIn link appears to be malformed.	Injured clients who click for their type of case may land on an error or the wrong page.	**Correct links for every case type.**
Every contact prompt appears to go to /contact with no inline form, and the free consultation line appears with no phone number or form next to it.	A client who is ready to call has to hunt for a way to reach you.	**A short enquiry form and click to call button on every page.**
Testimonials appear to contain typos such as 'advise', 'straight forward' and 'I just to thank you', and article links appear to contain 'nbsp' leftovers.	Typos in client reviews and broken addresses make the firm look careless.	**Proofread reviews and clean article links.**
The testimonials appear signed only with initials, no case results appear, and the three lawyers.com badges appear to link to the same profile.	Injury clients choose by proof, and thin proof loses them to a firm that shows results.	**Named reviews with consent, results and linked badges.**

What your new website will do for Porcelli D'Angela LLP

- Correct links for every case type.
- A short enquiry form and click to call button.
- Proofread reviews and visible proof.
