WEBSITE GROWTH AUDIT

Promise Dental Center

promisedentalcenter.com | Doha, Qatar | Prepared for the Promise Dental team

A growing three branch Doha dental group appears to lose bookings to a WhatsApp only path, empty doctor profiles and conflicting claims.

What I found on your website

What I saw	What it costs you	The fix
The header Book Online button appears to go to WhatsApp while the FAQ points to an online booking form, and the form appears to collect a date but no time slot.	Patients get mixed instructions and drop off.	**One booking path with date and time selection.**
The booking pop up appears to show Doctor Name: - and Specialization: - as unfilled placeholders, and several doctor profile pages appear to be empty templates.	Placeholder text and empty profiles reduce trust.	**Complete doctor profiles.**
The site appears to say A Decade Of Trusted Excellence and also 6+ Years Experience, and the offers appear to show no prices.	Contradictions and missing prices weaken proof.	**One accurate history line and priced offers.**
No opening hours appear, phone links appear to contain spaces, and doctor names appear spelled differently in reviews.	Patients cannot confirm when to call, and links may fail to dial.	**Visible hours, clean tel links and consistent names.**

What your new website will do for Promise Dental Center

- One booking path.
- Complete doctor profiles.
- Hours, priced offers and clean links.

How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.
