WEBSITE GROWTH AUDIT

# Prudential Dental Clinic

prudentialdental.com.au | Sydney CBD | Prepared for the Prudential Dental team

Two clinics and a clear veneers offer are strengths, but wrong copy on the veneers page and several booking paths appear to cost you cosmetic patients.

## What I found on your website

| What I saw | What it costs you | The fix |
|---|---|---|
| The veneers page describes veneers as thin, custom made implants, and a line about orthodontists, brackets and bands appears to be braces copy pasted onto the page. | Wrong facts on a cosmetic page confuse patients and weaken trust. | **Accurate, dentist reviewed veneer copy.** |
| Typos include 'Prior the placement of your veneers', 'Are there Alternative to Veneers' and an image named Dental-Venners.png. | Spelling errors reduce trust in cosmetic work. | **Proofread copy.** |
| Book In CBD Now, Book Your Appointment, Request Booking and Contact Us Today go to different places and no booking form appears on the page. | Mixed booking paths lose patients who were ready to book. | **One booking path with a form and WhatsApp.** |
| The page shows no testimonials, before and after examples, pricing or dentist credentials, and a link slug points to Surry Hills although it is not a listed clinic. | Cosmetic patients decide on proof and see none. | **Captioned cases, reviews and named dentists.** |

## What your new website will do for Prudential Dental Clinic

- Accurate veneers copy and a captioned results gallery.
- One booking path with a form and WhatsApp.
- Named dentists, reviews and clear pricing guidance.

## How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.
