WEBSITE GROWTH AUDIT

Reyada Medical Centre

reyadamedicalcentre.com | C Ring Road, Doha | Prepared for the Reyada team

Accreditation, an 18 plus specialty centre and a WhatsApp line are strengths, but mismatched page details and a booking promise with no booking form appear to cost you patients.

What I found on your website

What I saw	What it costs you	The fix
The FAQ says you can book online via the website, but no booking form appears, and the feedback section shows only a SUBMIT button with no visible fields.	A patient who wants to book online has no way to do it and may call a competitor.	**A real booking form with doctor and time choice.**
The email link is written mailto:mailto: info@reyadamedicalcentre.com and the phone link contains a space, tel:+974 4445 7777.	Tapping to email or call can fail on a phone.	**Tested email and call links.**
The dermatologist's photo is described as Dr. Ahmed Al Mansoori, Specialist Cardiologist, a service image is labelled Orthodontics, and a review calls the centre Reyada Hospital.	Wrong labels confuse patients and weaken search visibility.	**Correct descriptions and one consistent name.**
Five testimonials show no dates or surnames, the accreditation dates conflict, and the page uses both Medical Center and Medical Centre.	Mixed dates and thin proof reduce trust in a medical brand.	**Verified dates and named, dated reviews.**

What your new website will do for Reyada Medical Centre

- A booking form with doctor and time choice plus WhatsApp.
- Tested call and email links on every page.
- Consistent names, correct labels and dated reviews.

How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.
