WEBSITE GROWTH AUDIT

The Skin Philosophy

theskinphilosophy.com.au | Sydney CBD | Prepared for the Skin Philosophy team

You offer doctor-led skin treatments in the CBD, but several sections of the homepage appear empty and booking is by phone only.

What I found on your website

What I saw	What it costs you	The fix
What Our Clients Are Saying and two product sections have headings but appear to show nothing.	Empty reviews and shop sections look broken and give no proof.	**Real reviews and a working product section.**
Leftover text shows: Use left/right arrows to navigate the slideshow, View cart (), and an image alt reads Wendy.png with a long ID.	Stray system text makes a clinic site look unfinished.	**Clean content and proper image text.**
Booking is by phone only, open Wednesday to Friday 9am to 5pm. No form, no WhatsApp.	Evening visitors and mobile users who want to book now leave.	**Online booking form and WhatsApp button.**
The page says Doctor led but names no doctor, shows no before and after, and Brands links to #.	Cosmetic patients want to know who treats them and see results.	**Doctor profile and a results gallery.**

What your new website will do for The Skin Philosophy

- Online booking and WhatsApp so patients can book any time.
- A doctor profile, reviews and results gallery that prove quality.

How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.
