WEBSITE GROWTH AUDIT

Sky Clinic Dental Center

skyclinicdentalcenter.com | Dubai, UAE | Prepared for the Sky Clinic team

A JLT dental centre appears to lose bookings to conflicting hours, dead menu items and no scheduler.

What I found on your website

What I saw	What it costs you	The fix
The hours appear as Sunday to Friday 8am to 7pm, open 7 days from 8am to 8pm, and Friday 10am to 8pm in different places.	Patients may arrive when you are closed.	**One verified hours table.**
Dental Implants, Media and Our Clinic menu items appear to link to #, and icon names such as Phone-alt appear as visible text.	Visitors hit dead ends and see leftover code names.	**Working pages and clean icons.**
Book Appointment appears to go to the contact page and the FAQ appears to mention an online booking system with no visible link.	Ready patients cannot book online.	**A real online booking tool.**
Typos such as gingivitis affective and apart of the plan appear, and copy appears to end mid sentence in places.	Typos and cut off text on a medical site reduce trust.	**Proofread, complete copy.**

What your new website will do for Sky Clinic Dental Center

- One hours table.
- Working menus.
- Online booking and clean copy.

How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.
