WEBSITE GROWTH AUDIT

Sydney Conveyancing Solicitors

scsolicitors.com.au | Sydney, Australia | Prepared for the SC Solicitors team

A Sydney CBD conveyancing firm with fixed fees appears to lose quote requests to a broken form and no visible fees.

What I found on your website

What I saw	What it costs you	The fix
The Get Your Quote button appears to open a popup that may fail without scripts, and the form dropdown options appear to run together such as BuyingSelling.	Visitors may be unable to request a quote.	**A simple, tested quote form.**
The form fields appear as plain text with no visible input styling, and no required fields or privacy wording appear.	Visitors may not see where to type and leave.	**Clear fields and consent wording.**
The mobile number appears in two formats, and the landline tel link appears to contain a stray space.	The landline link may fail to dial.	**Clean call links.**
Fixed fees are promoted but no amounts appear, a 50 percent off offer appears with no terms, and no testimonials or named lawyers appear.	Clients choose a lawyer they can see, at a price they can see.	**Fee amounts, offer terms, reviews and lawyer profiles.**

What your new website will do for Sydney Conveyancing Solicitors
