WEBSITE GROWTH AUDIT

Yousef AlNeaimi Advocates and Legal Consultants

yousefalneaimi.wixsite.com/advocateslegalsite | Ras Al Khaimah, UAE | Prepared for the AlNeaimi Advocates team

A Ras Al Khaimah law firm appears to lose clients to a misspelled page title, garbled service text and a free builder address.

What I found on your website

What I saw	What it costs you	The fix
The page title appears as Best | Law Firm | Laywer, which misspells Lawyer and reads like a keyword list.	This is what Google and browser tabs show, so searchers see a typo and a spammy label.	**A clean title with your firm name and city.**
The services text appears garbled, for example To the right & advocate & herders.	A client reading broken sentences doubts the quality of the firm's legal work.	**Clear, proofread service descriptions.**
The site appears to run on a free Wix address, with a Wix banner and a 2020 copyright date.	A free builder address and an old date look temporary for a law firm.	**Your own domain and a current page.**
The contact appears to be a gmail address, and no WhatsApp appears.	A free email gives less trust, and clients who want to message first have no easy way.	**A firm email and a one tap WhatsApp button.**

What your new website will do for Yousef AlNeaimi Advocates and Legal Consultants

- Clean title and copy.
- Own domain.
- WhatsApp and enquiry form.
