WEBSITE GROWTH AUDIT

Al Kindi Clinics

alkindiclinics.com | Doha | Prepared for the team

Dental and dermatology under one roof, evening hours and WhatsApp booking are strengths, but dead buttons and typos appear to cost you patients.

What I found on your website

What I saw	What it costs you	The fix
The booking button appears to read 'Schedule Appoinment', and several Book Now buttons on the dental, dermatology and doctor cards appear to link to #.	A patient who taps Book Now and reaches nothing may call another clinic.	**Working booking buttons and a booking form.**
The hero appears to say 'open until 9 pm every day' while the footer shows 'Fri : 2 – 9 pm', and the copyright appears as 2025.	Conflicting hours cause wasted trips and a poor first visit.	**Accurate hours and a current footer.**
The clinic appears as Al Kindi Clinics, Alkindi Clinics and Al-Kindi Clinic, and the Dermatology and doctor blocks appear twice with different staff lists.	Mixed names and repeated blocks confuse patients and search engines.	**One brand name and one team list.**
The page appears to promise 'prices that fit a normal budget' with no prices shown, four undated testimonials, and a free mail address alkindiclinics@gmail.com as contact.	No prices, thin proof and a free mail contact weaken a medical brand.	**Clear price ranges, dated reviews and a branded email.**
