WEBSITE GROWTH AUDIT

Hugh Fleming Dentistry

hughflemingdentistry.com.au | Mosman, Sydney, Australia | Prepared for Dr Hugh Fleming

A Mosman family practice with implants, sedation and sleep apnoea care is a strength, but booking buttons that only go to a contact page and visible developer text appear to cost you patients.

What I found on your website

What I saw	What it costs you	The fix
Every BOOK ONLINE button appears to go to the contact page, not a booking tool, and the Holiday Hours banner appears to link to the contact page with no hours shown.	Patients who want to book online have to wait for a reply.	**A real online booking calendar and clear holiday hours.**
The Email Us link, Cookies link and read disclaimer link appear to point to #, and the contact form appears to show the text 'Leave this empty:'.	Dead links and visible developer text look unfinished.	**Working links and a hidden anti spam field.**
'Advance Treatments' appears instead of Advanced Treatments, the FAQ about emergency dental services appears twice, and a stray number appears at the top of the page.	Typos and repeats make a clinic look careless.	**Proofread copy and unique FAQs.**
Only two testimonials appear and the dentists appear only as menu links with no credentials or introductions.	New patients want to know who will treat them.	**Dentist profiles with credentials and more reviews.**

What your new website will do for Hugh Fleming Dentistry

- A real booking calendar.
- Working links and hidden spam field.
- Proofread copy, dentist profiles and reviews.

How it works

1	**15 minute call** I show you a preview of your new design. No cost.
2	**Approve the look** You pick changes. I build in days, not months.
3	**Launch and track** Booking, WhatsApp and forms tested on mobile before go live.

Book your 15 minute preview call
