WEBSITE GROWTH AUDIT

ABH Real Estate

abhrealestate.com | Dubai, Doha and Riyadh | Prepared for Mr. Abderrahmane and team

ABH works across Dubai, Qatar and Saudi Arabia, with a CEO named on the site and several offices. Copied copy, typos and a hidden enquiry form hold back a brokerage that wants to be seen as a leader.

What I found on your website

What I saw	What it costs you	The fix
The Qatar and Saudi intros reuse Dubai's copy and both say City of Infinite Possibilities. Each country's Tax Environment point appears twice with identical text.	Buyers who read a copied page for their own country assume the agency does not know their market.	**Original, market specific pages for each country.**
Typos: Jumeriah Village Circle, ametropolis, Explore whats in Dubai and Scrolling?Lets Connect. Some copy ends mid sentence, and prices mix 2.800.000 SAR with 2,835,888 AED.	Misspelled area names and inconsistent prices make an agency look careless to an investor comparing brokers.	**A proofread build with one price format.**
The Book a meeting form is hidden behind a menu with no button on the homepage. Leave an Enquiry and Subscribe show no input fields, and WhatsApp is only an unlabelled icon.	An investor ready to talk has to hunt for how, and many will contact an agency that makes it easy.	**A visible meeting button, one working form and a labelled WhatsApp button.**
No testimonials, case studies or licence number appear. The 2023 Qatar award names no issuing body, and Guaranteed Real Estate Investments has no support.	Unsupported guarantees and unnamed awards hurt credibility with serious buyers.	**Named reviews, your licence numbers and sourced awards.**

What your new website will do for ABH Real Estate

- A lead first homepage with a visible meeting button, a working form and labelled WhatsApp on every listing.
- Market pages for Dubai, Qatar and Saudi written to rank for searches like apartments for sale Dubai and property for sale Doha.
- Proof beside every enquiry button: licence numbers, named agents and client reviews.
