WEBSITE GROWTH AUDIT

Meera Ali Al Jallaf Advocates

ajchambersuae.wixsite.com/lawyersabudhabi | Abu Dhabi, UAE | Prepared for the Al Jallaf Advocates team

An Abu Dhabi law firm appears to lose clients to a typo in its page title, a free builder address and a 2019 date.

What I found on your website

What I saw	What it costs you	The fix
The page title appears as Laywers UAE Dubai, a misspelling of Lawyers, and it names Dubai for an Abu Dhabi firm.	This is the title Google and browser tabs show, so people searching for a lawyer see a typo and may not find you.	**A correct title with your firm name and city.**
The site appears to run on a free Wix address, with a Wix banner on the page.	Clients check a law firm's credibility first, and a free builder address looks temporary.	**Your own domain and a firm email.**
The page appears to carry a 2019 copyright date.	An old date tells a visitor the firm may not be active, so they call a competitor.	**A fresh, current page.**
The only contact shown appears to be a gmail address and one landline, with no WhatsApp.	Many clients in the UAE message first on WhatsApp, and a free email gives less trust.	**A firm email and a one tap WhatsApp button.**
