WEBSITE GROWTH AUDIT

Al Dhaheri International Advocates and Legal Consultants

aldhaheriinternational.com | Dubai | Prepared for the Al Dhaheri team

A long established firm with a WhatsApp link is a strength, but a contact section with no fields, template testimonial text and mismatched numbers appear to cost you clients.

What I found on your website

What I saw	What it costs you	The fix
The contact section shows only Send Now with no name, email or message fields, and the newsletter shows a button with no email box.	Clients who want to enquire cannot, and the form may not work.	**A tested enquiry form with a clear confirmation.**
The sentence 'Build trust by showcasing testimonials and feedback from satisfied clients.' appears under both What our client says and Our Esteemed Clients.	Template text where real testimonials should be makes the proof look missing.	**Real, named testimonials.**
The WhatsApp link opens +971 58 544 4775 while the printed mobile reads +971 5 855 54775, and Mohsen Moustafa appears as Managing Director and as Managing Partner.	Mismatched numbers and titles confuse clients and weaken trust.	**One checked number and consistent titles.**
Blog excerpts stop mid sentence, the button reads Subcsribe, Insights links to #, and the footer says All rights reserved by with no year.	Typos and unfinished text weaken a legal brand.	**Finished, proofread copy and working links.**

What your new website will do for Al Dhaheri International Advocates and Legal Consultants
