WEBSITE GROWTH AUDIT

Al Sulaiti Law Firm

alsulaitilawfirm.com | Doha | Prepared for Mubarak bin Abdulla Al-sulaiti

Established in 2002 with partnership offices in 17 countries, your firm has a strong story, but broken menu links and unfinished testimonials hold it back.

What I found on your website

What I saw	What it costs you	The fix
About and Legal Newsroom in the menu and footer link to #, and there is no contact form on the page.	A client who wants to learn about you or reach you hits a dead end.	**Working About and News pages and an enquiry form.**
The ESTHITMAR HOLDING entry has a logo and name but no testimonial text, the first review has no attribution, and Madlife CEO, Tech Corp looks like a placeholder.	Unfinished testimonials look unreal and weaken your best proof.	**Complete, named testimonials.**
Typos include partnershop offices across 17 countries, clients' s trust and call on them and her. The firm name appears as Al Sulaiti, Al-Sulaiti Law Firm and Legal Consultations and Al-sulaiti.	Errors on a law firm page lower trust.	**Proofread copy and one firm name.**
Read more about [area] repeats 12 times, there is no clear primary action above the fold, and Best Law Firm in Qatar for Business has no evidence.	Clients are not told what to do next, and unsupported claims weaken trust.	**One clear call to action and evidence for claims.**
