WEBSITE GROWTH AUDIT

Better Real Estate

betterrealestate.sa | Riyadh, Saudi Arabia | Prepared for the Better Real Estate team

A Riyadh brokerage appears to lose seller and buyer leads to a name mix up, vague calls to action and no proof.

What I found on your website

What I saw	What it costs you	The fix
The company appears as Better Real Estate, Better Property and BETTER PROPERTY across the title, logo and footer.	Mixed names confuse owners and hurt search visibility.	**One brand name everywhere.**
The hero buttons appear to be plain labels such as Sell Real Estate, and the closing section Make your dreams a reality appears to have no button or form.	Visitors have no clear next step.	**Action buttons and an enquiry form.**
The phone link appears to use tel:// and the WhatsApp link appears to include a plus sign, and the address appears with no city.	Mobile visitors may fail to call or message.	**Clean call and WhatsApp links and a full address.**
No reviews, licence number, team names or listing counts appear, and image files appear to carry stock photo names.	Owners choose a licensed agent they can see and verify.	**Licence details, team profiles and reviews.**

What your new website will do for Better Real Estate

- One brand name.
- Clear buttons and form.
- Working links and proof.
