WEBSITE GROWTH AUDIT

Betterhomes Qatar

bhomesqatar.com | Doha, Qatar | Prepared for the Betterhomes Qatar team

A large Doha brokerage appears to lose valuation leads to a missing form, dead menu items and filler content.

What I found on your website

What I saw	What it costs you	The fix
Book your free valuation appears to send visitors to another page, with no valuation form on this page.	Owners ready to sell face an extra step.	**An on page valuation form.**
The About menu item and a download confirmation link appear to link to #.	Visitors hit dead ends.	**Working links.**
Typos such as across the Qatar and Over250k appear, and trending search lists appear to repeat Apartments for Sale in Doha dozens of times, including Spain and Oman.	Repeated filler and typos look automated and careless.	**Clean copy and relevant search links.**
More than 2,500 clients have rated us 5 stars appears with no reviews shown, and the newsletter block appears to show no input field.	Unsupported claims and broken forms reduce trust.	**Real reviews and a working signup form.**
