WEBSITE GROWTH AUDIT

Bin Eid Advocates and Legal Consultants

bineidlawfirmuae.weebly.com | Dubai, UAE | Prepared for the Bin Eid Advocates team

A Dubai and Sharjah advocates firm appears to lose enquiries to a menu typo, a free builder address and a contact page with no form.

What I found on your website

What I saw	What it costs you	The fix
The menu appears to read Legal Sevices.	A spelling error in the main menu of a law firm weakens trust.	**Proofread menu and headings.**
The site appears to run on a free Weebly address.	A free builder address makes an advocates firm look temporary.	**Your own domain and a clean branded site.**
The contact page appears to show only addresses and phone numbers, with no enquiry form.	Clients who want to leave details at night cannot do so.	**A short enquiry form with matter type.**
A WhatsApp number appears for the Sharjah office only, with the Dubai office listing a 600 number.	Dubai clients cannot message the Dubai office.	**WhatsApp for the Dubai office too.**

What your new website will do for Bin Eid Advocates and Legal Consultants

- Proofread menu.
- Own domain.
- Enquiry form and WhatsApp for both offices.
