WEBSITE GROWTH AUDIT

Blue Dental Care

bluedentalcare.co.uk | London, UK | Prepared for the Blue Dental Care team

A London dental practice appears to lose new patients to unfinished cookie banner text and no copyright year or quick message option.

What I found on your website

What I saw	What it costs you	The fix
The cookie settings text appears to show unfilled placeholders such as Manage {vendor_count} vendors and {title} repeated.	Placeholder code in a consent banner makes the site look broken, and patients trust a broken site less.	**A properly configured cookie banner.**
The footer appears to say Copyright Blue Dental Care with no year.	A footer with no year gives no sign the practice is active.	**A current, dated footer.**
No WhatsApp or text option appears next to the phone number.	Patients who want a quick answer message first.	**A one tap text button and online booking.**

What your new website will do for Blue Dental Care

- Clean cookie banner.
- Current footer.
- Booking and text.

How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.
