WEBSITE GROWTH AUDIT

Bortoft Bell

bortoftbell.com | London | Prepared for the Bortoft Bell team

A clear boutique family law positioning, but the page has no contact form and its links and copy leave room for confusion.

What I found on your website

What I saw	What it costs you	The fix
No contact form. The free initial meeting is for qualifying clients, but the page never says who qualifies or how to book.	A client in a stressful moment will not guess how to qualify and will call another firm.	**A short enquiry form and a clear qualifying line.**
Family Solicitor Near Me and Divorce Lawyers both link to the homepage, Spousal Maintenance goes to a page titled London Divorce Solicitors, and empty links appear.	Mislinked pages confuse clients and search engines.	**Correct, working links to each page.**
Leftover search text (Hit enter to search or ESC to close Search) shows, there is a grammar slip (We drawn upon), and Skype is listed as a meeting option.	Small slips on a premium legal page reduce confidence.	**Proofread, current copy.**
The only quotes come from directories, not clients, and the footer promotes the web and SEO agencies.	Clients want to hear from other clients, and agency promotion distracts from your brand.	**Client testimonials and a clean footer.**

What your new website will do for Bortoft Bell

- A simple enquiry form and calendar booking with clear qualifying wording.
- Client testimonials, team profiles and clean, correct page links.
